

# ONNX Training Workshop Readout

Svetlana Levitan, PhD

Developer Advocate in Chicago

Center for Open-source Data and AI Technologies

IBM Cloud and Cognitive Software

August 23, 2019

**IBM Developer**

# The breakout workshop on ONNX training

Wei-Sheng Chin (Microsoft) presented proposal

Chin Huang (IBM) explained his test

Two volunteers will help to test, can use more

Time was cut short, did not have time to discuss

Join us in Gitter and meetings (Tuesdays 10:30 am Pacific)

Contact Svetlana to be invited to the meetings: [slevitan@us.ibm.com](mailto:slevitan@us.ibm.com)
