

ONNX Pre-processing WG

Monthly meeting - Nov 9, 2022

Agenda

- Exporting preprocessing to ONNX
- ONNX <-> DALI

Exporting preprocessing to ONNX

- Will depend a lot of the particular FW and its representation of preprocessing steps
- Typically separate from the model
- Might allow custom Python code

ONNX <-> DALI

- NVIDIA DALI : data loading and augmentation library
- Graph representation similar to ONNX
- Converter repo: [onnx/onnx-dali](#), [onnx/dali-onnx](#) ?

Open floor
